Head Teacher's Message

Dear Parents and Carers, We say goodbye to our wonderful Year 6 children this week and wish them every success and happiness in their secondary schools. At the same time, we have welcomed our new Reception children. 26 little ones have been coming to our stay and play sessions and will join us full time in September. Another school year comes to an end and there are so many fond memories of our time with the children. I owe a huge thank you to the staff for their hard work, passion for their job and determination to do their best for their class. Thank you very much to the parents too, for supporting us and for your efforts to help your children with their learning. Of course, thank you so much to the children. Their enthusiasm for learning and positive contributions to our school are a joy to see. It is a pleasure being part of such a wonderful school family, I am a very lucky Headteacher! After a little rest now, I look forward to our team achieving more great things together next year. Best wishes for a safe and fun-filled summer holiday.

Miss Teixeira

Sports Day

We hope everyone had a great time at our sports day. Well done to all participants, including the parents and carers who entered our parents' race!

Online Safety

Have you come across Telegram and TikTok? Telegram is a messaging app that has a 'secret chat' option, meaning children can talk to strangers with no trace of the content available. TikTok is an app that allows users to watch and create their own video clips. By default, all accounts are public, so this app has been highlighted as a potential site for online grooming. Go to www.internetmatters.org for parent advice sheets on all the popular apps.
