

Local Governing Board

Schedule of Accountability

October 2021

Review due by: December 2022

INTRODUCTION

Welcome to The Schedule of Accountability. We hope it will help you to understand your role as a member of a Local Governing Board (LGB) in a Plymouth CAST Academy.

‘The role of governor is largely a thinking and questioning role, not a doing role.’ NGA guidance

To think and question governors need to find out about the work of the academy. They do this by checking, looking, and asking. The purpose of this schedule is to guide governors in their finding out. It organises the responsibilities of governors, as defined in the Plymouth CAST Scheme of Delegation, into half-termly blocks. Planning sheets for monitoring the progress of the School Improvement Plan and subject leadership are included at the back of the schedule. A series of Checklists have been produced to assist with completing the schedule. All LGBs are required to follow the Schedule of Accountability.

The role of the Local Governing Board (LGB) involves:

- Champion the Trust’s vision, ethos and strategic direction in the school.
- Be an informed ‘wisdom group’ for the school, supporting and encouraging the Catholic life and mission of the school
- Developing knowledge in key areas: RE and Catholic Life, Special Educational Needs and Disabilities, Safeguarding, and Child Protection, the impact of Statutory Grant Funding (Pupil Premium, PE, and Sports Premium), Health and Safety, Curriculum and Standards and Parents and the Community.
- Being sufficiently knowledgeable about the school to talk confidently with Ofsted inspectors.
- Attend training as required by the Diocese or the Trust.
- Being accountable to the Board and, in the case of Foundation Governors, to the Bishop, for their conduct as Governors
- Knowing the Governor’s Handbook where information is organized in alphabetical order.
- Being clear about the roles of the Chair of Governors, Lead Governors, and the Board as a whole. This can be found in the Governor’s Handbook.
- Knowing the Vision, Mission and Values of the Trust, also found in Governor’s Handbook
- Being familiar with Scheme of Delegation, the Schedule of Accountability and associated Checklists and policies on School Visits, the Induction of new Governors, the Annual Self-review proforma and the Governors’ Code of Conduct. Details of all can be found in The Governors’ Handbook
- Keeping the Code of Conduct. Any governor who breaks the Code of Conduct will be challenged and may be asked to leave the LGB.
- Reviewing the work of the LGB with the Link director each term, thus providing useful information for the Board of Directors.
