Head Teacher's Message

Dear Parents and Carers,

I hope you have found your child's report informative and useful. The children now have a full term ahead of them, to focus on their next steps in learning and make brilliant progress. I always enjoy the children coming to show me their work, but I have been particularly impressed with the Year 5 and 6 children recently. Their biographies, poems and diary entries have been simply outstanding. A polite reminder please, for adults on the school grounds, to avoid using bad language with young ears around and that the no smoking policy includes vaping. Another term complete! Thank you to all staff and governors, children and their families, for a wonderful spring term. The summer brings residential camps, a new lunch menu and hopefully, a lot of sunshine. Do keep wearing the old style summer dresses if they still fit your children, but note that these are no longer for sale. We have switched across completely now, to the navy blue check ones.

Best wishes Miss Teixeira

Online Safety

Remember that all social media (and many web services) have age restrictions for a variety of reasons. Although the default age is 13 for many, there are others such as 16, 17, 18. Check through your child's accounts, but do it with them so that you can explain why you are doing it and have a conversation if you find someone not familiar to you.
