

St John's Catholic Primary School

Background - The primary school sport premium investment goes direct to primary school Head Teachers and is designed to support improvements in the quality and depth of PE and school sport. In 2018/19 the amount schools receive each year has doubled.

Key Indicators - The Department for Education vision is that all pupils leaving primary school are physically literate and have the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport. The objective is to achieve self-sustaining improvement in the quality of PE and sport that delivers high quality provision of a balanced and holistic PE and school sport offer. There are 5 key indicators that schools should expect to see improvement across:

1. the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. the profile of PE and sport is raised across the school as a tool for whole-school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Funding - Individual schools will receive circa £16000-18000 per annum (depending on the number of pupils) which they can use to support these outcomes through various options including; staff CPD, employing specialists to work alongside teachers, cluster work with other schools and partnerships, transport, equipment, hall and pool hire etc.

The total funding for the academic year 2019/20	£ 17,610
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	63% Due to Covid – swim top ups were cancelled.
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	87%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	87%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes/No

Accountability & Impact - Schools are required to keep parents

informed and publish plans for deployment of premium funding on their website by April of each academic year. Schools will be expected to track pupils to be able to show what improvements have been made and evidence the impact of the sport premium. From September 2013, Ofsted inspectors will assess and report on how effectively this new funding is being used when making the judgement on the quality of the school's leadership and management.

Time 2 Move - 'Time2Move' is the Cornwall Framework for PE and School Sport. It has been produced by a range of key stakeholders here in Cornwall including Head Teachers and subject specialists taking into account the outcomes of the primary sport premium and Ofsted recommendations. For those schools seeking a comprehensive school sport offer it provides a blueprint to develop excellent delivery both within and outside the school gates. As part of this initiative schools are provided with advice and guidance including a self-assessment audit and action

<p>Curriculum Delivery <i>engage young people in a high quality, broad and balanced curriculum</i></p>	<ul style="list-style-type: none"> • Further increase physical activity amongst all pupils and identify pupils who are less active • Embed and evaluate assessment in PE across the school • Raise physical activity levels from all pupils through lunchtime leaders and after school clubs • Improve swimming provision with additional block sessions, for Years 3, 4 and 5. 	<p>All staff continue to offer after school sports provision, encouraging those less active to attend. £0</p> <p>PE lead to observe assessment in a local school – supply cover = £185</p> <p>Transport for swimming lessons, for Yr 3, 4 and 5 – 12 sessions per term = £2,160</p> <p>Transport for additional swimming for Yr</p>	<p>After staff training and guidance, the Arena assessment tool in PE is being used across the school. This has given the staff the opportunity to assess children and develop progression, with ongoing tracking in all of the sports/activities covered in each year group.</p> <p>This has impacted on pupil attainment as the children are involved in self-assessing at 3 different levels – Bronze, Silver & Gold and know what is needed to progress to the next level. This has created ownership for the children and displaying their name on a chart enthuases them to achieve their potential.</p> <p>This assessment tool and scheme of work has impacted on the whole school development of PE and overall pupil participation.</p> <p>Due to Covid 19, the Year 6 pupils who could swim less than 10</p>	<p>Sustainability: All staff are upskilled to enable them to offer a wider range of extracurricular clubs and the TAs are confident to deliver fun and engaging physical activities at break and lunch time – along with the Playleaders, who take pride in their role and encourage the younger children to engage in physical activity. Y6 children take ownership of the Play Leaders and quality training is offered through the Sports Alliance.</p> <p>Next Steps: PE provision will be audited annually. Continue to provide a range of opportunities of different sports to encourage more pupils to take up sport and increase physical activity. Continue to embed the Arena assessment tool -due to Covid</p>
