

Uniform

School uniform has advantages for both parents and school. It provides a practical outfit for 5 days of the week and ensures that children are secure in the knowledge that there is no competition in quality, style or fashion of clothing. For the school, it unites children in a shared identity, whilst also encouraging pride in appearance and presentation.

All children require a bag (which can be purchased from school, or one of your choosing) and a drinks bottle. Hair accessories must be in school colours (navy, red or white) and note that shoes must be smart in appearance and not in the style of trainers or skate shoes.

All school items are generic and no branded items are required. Please also ensure that everything is clearly named!

Not Permitted

Jewellery, other than one pair of stud earrings; extreme hair styles or hair dye; nail varnish

Winter Uniform Options	Summer Uniform Options	Optional Items
